

The McShin Foundation

Founded in 2004, McShin is a recovery resource foundation whose mission is to deliver a message of hope to individuals and families with Substance Use Disorders and to facilitate their journey to a healthier life.

McShin provides an authentic peer-to-peer pathway from drug and alcohol addiction based on the lived experience and successful recovery of our staff, alumni and participants.

Pathway To Recovery

The McShin Foundation

05. Alumni

After leaving McShin, our alumni are encouraged to attend monthly alumni meetings, bowling trips, relax in the alumni lounge, and mentor new participants

03. Recovery Residence

Our sober living homes are available to anyone seeking a safe, productive environment to live, as well as, a step-up home for intensive program participants who find employment while they continue to build their recovery.

04

04. SUD Training and Education

Participants are given the opportunity to take a free Certified Recovery Coach Training course to give them the tools to help them find a new way of life. A free REVIVE Naloxone Training Course is also available to participants and to the public.

03

02. Help With Services

Each participant in the program will be assigned a peer recovery coach to help guide them on their new path of recovery. We are MAT friendly and offer help with EBT, Medicaid, grief support, and an introduction to 12-step programs. Linkage to therapy, psych evaluations, and detox are also included in the intensive program.

02

01

01. Intensive House

New participants in the Intensive Program move into either a male or female recovery house. For 30-90 days they will attend 4 groups and 2 12-step meetings a day and be introduced to a new way of life in recovery.
